

## **AGM for Nature and Health Practitioners Network**

5<sup>th</sup> June 2023 4.30pm-6.pm

8 Attendees

### **Notes:**

Please see the presentation that goes with these notes as well.

### **Update on the network and discussion of the main purpose of NHP**

This was an ongoing discussion and there was general agreement that the statements are sufficient and useful to describe the purpose of the network. There was a deep discussion on diversity and how to encourage this, the next Forum meeting is on diversity. The meeting schedule attached within the presentation was agreed as well.

### **Reaching out and more network.**

This year we have spent time reaching out to help create a cohesive network within the region and within the South West.

### **Membership and fees**

It was noted that membership should be offered as ongoing once people have paid and registered. It is important to make people recommit to the membership and agree that they are still members and agree to the standards, review it every AGM.

### **Election of Steering Group**

The election took place with the election of  
Sarah Witts  
Emily Malik  
Jon Fieldhouse

### **Election of officers**

Michael Connors was elected as officer

### **Next steps and vision**

Strategic priorities were acknowledged. These are

- Reinvigorate the membership process and promote the network further.
- Have the quality standards adopted more broadly and recognised within the field
- Diversity and accessibility focus
- Find further funding to support developments where needed

The meeting ended.
